The Tell Tale Heart Report ~ English.
ARREST REPORT

I Officer Castro alongside my partner Officer Rayes got dispatched to search the old man's house do to Complaints of noises in the house.

We arrived at the house and heard nothing but then a strange noise come from within the house. Rayes and I never expected the old man to make noise.
(We knocked)

Someone opened the door, and it wasn't the old man Nash, it was a much younger man. He claimed that Nash was out of the Country and that he brought back some visitors.

He gave us seats to sit on. Rayes and I were fatigued. I smelled something but I didn't think much of it. He had me very convinced.

We asked the man many questions and he answered cheerfully to us. All of a sudden his face got pale and he started to grab his head.

The man backed up ~~and~~ floor board and it made the worst sound. I got up and looked around. I found a small blood stain on the Bathroom wall.

We asked if we could see what was under the board and he started to fuss and cuss at us. then he slammed his chair.

My Partner and I got scared and then he broke down and said "I admit the deed. Tear up the Planks! here it is the beating of his hideous heart!!"

I Officer Castro along with Officer Prayes took this as a confession and placed this younger man ~~in~~ under arrest.
